## • DOES MY CHILD HAVE A DRESS REHEARSAL?

### **ALL CLASSES HAVE A DRESS REHEARSAL at the Eccles Main Stage Theater**

Each class will have their Dress Rehearsal on the same day as their scheduled performance, May 15th and/or 16th. If the class is performing on both nights, they will have a Dress Rehearsal for each performance on both days and are required to be present at both Dress Rehearsals to perform.

The Dress Rehearsal Schedule is available NOW  
and is included in this Showcase Information Packet!

**Please see pages 6, 7 and 8 for complete schedules!**

- **WHAT TIME SHOULD I ARRIVE ON SHOWCASE PERFORMANCE DAY?**

**Please refer to the Dress Rehearsal Schedule and know what time your child's class is rehearsing on the stage.** All students will be required to arrive in the Theater 15 minutes prior to their Dress Rehearsal time.

**All Children Dancer/Performers ages 6 and under are required to arrive with a parent/guardian** and have a seat together in the audience close to the stage until their class is called for rehearsal. Once the class name is called to the stage, we will gather the students and wait to begin. Parents with older children are welcome to have a seat with their children as well and wait for their class to be called.

**Dress Rehearsal Costume & Makeup Instructions**

Upon arrival. ALL students should be dressed in their ballet costume with the appropriate tights and shoes. Hair and make-up is not required at this time.

**Performance Costume & Makeup Instructions**

ALL students should be dressed in their Ballet Costume along with the appropriate tights and shoes with their Hair and Make-up complete. There is NO place for parents to sit with their child and do their makeup and hair after arrival to the performance. Make up and hair should be done at home.

All Child Dancer/Performers ages 6 and under will need a parent or guardian available to accompany them before and after their performance is over. They will not need a ticket as long as they sit on your lap or in a seat that has not been purchased. No child performer may sit in a seat that has been purchased by another ticket holder. We will also have a section back stage set up for ages 6 & up with staff supervision.

- **MAY I USE A CAMERA FOR PHOTOS AND VIDEOS DURING THE SHOWCASE?**

You are welcome to use cameras and video devices during the performance, but PLEASE BE MINDFUL of those around you so everyone can see their children perform.

PLEASE NO BRIGHT SCREENS OR BRIGHT LIGHTS from cameras, phones, NO FLASHES. If you need to hold your camera up then kindly go to the back of the theater.

**THERE WILL BE A RECORDED AND PROFESSIONALLY EDITED VERSION OF THE FRIDAY SHOWCASE & THE SATURDAY SHOWCASE ON A USB DRIVE AVAILABLE TO PURCHASE FOR \$65.00!**

Many of you have children in multiple numbers, this way you can enjoy watching them during the showcase and not have to video every dance!

## • WHAT SHOULD I BRING TO THE SHOWCASE?

Your child's costume will be given to them in class the few weeks before Picture Day or on Picture day, depending on when the costume arrives.

### **DIRECTIONS FOR CHILDREN PERFORMING IN ONE COSTUME ONLY -**

Please have their name inside both pairs of their shoes. When they arrive at Dress Rehearsal wearing their costume and ballet shoes we will have a zip-lock bag for their tap shoes and keep it backstage until their performance. When they are finished performing, they will take this bag home with them. Children performing in one costume only should not bring a Dance Bag or any other extra items backstage with them. We will have water for them.

### **DIRECTIONS FOR CHILDREN PERFORMING IN BOTH DANCE AND MUSICAL**

**THEATRE** - Please have their name on all shoes, tights, bags, water bottles, and extras for the showcase day so back stage we will be able to place items for the correct performer into the correct dance bag! These children will have a costume change. Please only bring the listed items below (read the Costume Extra List) to the backstage area (nothing extra). Children performing in Dance and Musical Theatre will need to arrive wearing a nude Leotard under everything so their costume changes go smoothly and modestly.
